

INFINITY 99

PROJECT BROCHURE

The Future of Business Begins Here

Infinity 99 is the signature commercial development of WizMac Builders & Developers, strategically located on the Islamabad Expressway. It combines premium architecture, intelligent engineering, world-class amenities, and sustainable design into one exceptional business destination.

Prime Location

Strategically positioned on the Islamabad Expressway, one of the capital's busiest and fastest-growing commercial corridors, offering outstanding accessibility, visibility, and connectivity for businesses, investors, and retailers.

Architecture

Designed to inspire and engineered to endure. The architectural vision is built on five core principles:

- Modern Design
- Efficient Space Planning
- Natural Light & Open Spaces
- Sustainable Development
- Timeless Architectural Appeal

Project Highlights

- Prime Business Address
- Modern Architecture
- Premium Commercial Environment
- Intelligent Infrastructure
- Professional Management
- Strong Investment Potential

Office Spaces

Premium office spaces designed for productivity and growth — efficient floor layouts, flexible sizes, modern interior planning, abundant natural light, and a comfortable working environment. Suitable for corporate offices, IT & software companies, financial institutions, legal firms, consultancies, and multinational companies.

Retail Spaces

Premium ground-level retail spaces offering high visibility, easy customer access, and modern shop fronts — ideal for banks, cafés & restaurants, pharmacies, fashion & lifestyle stores, and leading local

and international brands.

Features & Amenities

- Building Management System (BMS)
- 24/7 Security & CCTV Surveillance
- High-Speed Passenger Elevators & Dedicated Service Lift
- Dedicated Basement & Visitor Parking
- Fire Detection, Alarm & Emergency Systems
- Prayer Area & Modern Common Washrooms
- Energy-Efficient, Solar-Integrated Design
- Professional Facility Management

Investment Opportunity

Infinity 99 has been developed as a long-term commercial investment designed to deliver sustainable value.

Why Invest

- Prime Commercial Address
- High Business Potential
- Premium Construction Quality
- Professional Management
- Long-Term Asset Appreciation
- Growing Commercial Corridor
- Strong Rental Potential
- Modern Infrastructure
